1. Digital certificates

ADVANCED QUALIFIED DIGITAL CERTIFICATE FOR LEGAL ENTITIES ON SMART CARD

Qualified digital certificates with two key pair and mandatory use of a smart card can be used for secure electronic signature, for encryption and access control. You need a smart card reader to work.

	Informative calculation of the price per 1 year	Validity of the certificate	Price with 22% tax, validity 3 years
1. Standard issue procedure Digital certificate is issued no later than 5 working days after the submission of all necessary documentation and payment received.	33,33 €	3 years	100,00 €
2. »QUICK« order The digital certificate is issued within 1 day after the submission of all necessary documentation and payment received	40,00 €	3 years	120,00 €

ADVANCED QUALIFIED DIGITAL CERTIFICATE FOR LEGAL ENTITIES ON USB KEY

Qualified digital certificates with two key pair and mandatory use of a USB key can be used for secure electronic signature, for encryption and access control.

	Informative calculation of the price per 1 year	Validity of the certificate	Price with 22% tax, validity 3 years
1. Standard issue procedure Digital certificate is issued no later than 5 working days after the submission of all necessary documentation and payment received.	38,33 €	3 years	115,00 €
2. »QUICK« order The digital certificate is issued within 1 day after the submission of all necessary documentation and payment received.	44,66 €	3 years	134,00 €

RENEWAL OF A QUALIFIED DIGITAL CERTIFICATE

	Informative calculation of the price per 1 year	Validity of the certificate	Price with 22% tax, validity 3 years
1. RENEWAL - Enrolment of qualified digital certificate for legal entities on existing smart card or USB key	20,00 €	3 years	60,00 €
2. RENEWAL – Electronic order of qualified digital certificates on a new smart card	25,01 €	3 years	75,03 €
3. RENEWAL – Electronic order of qualified digital certificates on a new USB key	30,00 €	3 years	90,00 €

2. Halcom One digital certificate (cloud)

HALCOM ONE QUALIFIED DIGITAL CERTIFICATE is a universal identifier that provides an excellent user experience and a high level of security. It enables fast and easy two-stage authentication and digital signing of documents based on a digital signature in the cloud.

	Informative calculation of the price per 1 year	Validity of the certificate	Price with 22% tax, validity 3 years
1. Existing user If you already have Halcom certificate on USB stick or card, use Halcom One as an additional service.	3,33 €	3 years	10,00 €
2. New user If you do not have a digital certificate, select this option.	6,66 €	3 years	20,00 €

3. E-seal qualified digital certificate

E-SEAL QUALIFIED DIGITAL CERTIFICATE is similar to an electronic signature, with the difference that the signatory is not a natural person with a name and surname, but a legal entity as a whole. A qualified electronic stamp with one pair of keys is used for secure electronic stamping, encryption and access control.

	Informative calculation of the price per 1 year	Validity of the certificate	Price with 22% tax, validity 3 years
1. Standard issue procedure on smart card Digital certificate is issued no later than 5 working days after the submission of all necessary documentation and payment received.	33,33 €	3 years	100,00 €
2. Standard issue procedure on USB key Digital certificate is issued no later than 5 working days after the submission of all necessary documentation and payment received.	38,33 €	3 years	115,00 €
3. Issuance of e-seal qualified digital certificate for systems (HSM, devices, servers, etc.) The digital certificate is issued no later than 5 working days after the submission of all necessary documentation, payment received and electronic request.	83,33 €	3 years	250,00 €

4. Website authentication certificate

WEB AUTHENTICATION CERTIFICATE is used to certify the public keys of users and organizations that have a valid web address. The server key is used to encrypt a single symmetric session key, which then secures all communication between the server and the client.

	Informative calculation of the price per 1 year	Validity of the certificate	Price with 22% tax, validity 1 year
Issuance of a certificate for website authentication	85,00 €	1 year	85,00 €

5. Smart card readers
